krea / flux

Dichotomy Of Light (II Visions)

The contrast of subtle and bright accents, as a reflection of the opposites

KREA / FLUX

Gold Ratio (IV Visions)

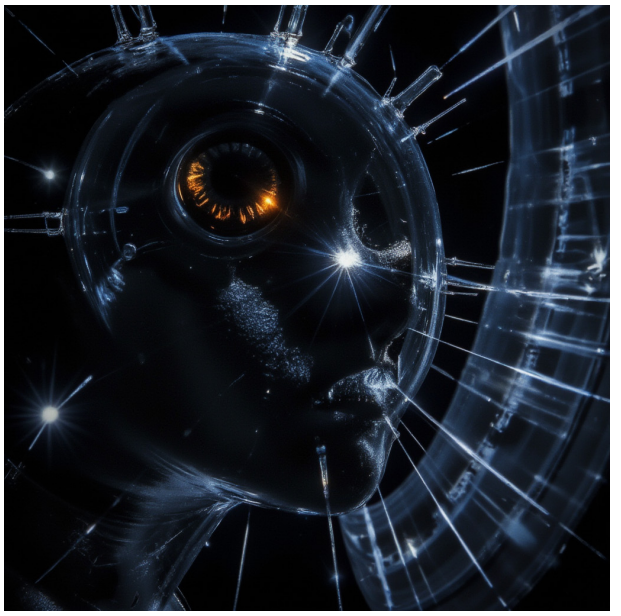
Embodies harmony of form, colour and light, reflecting the infinite balance between chaos and order

krea / flux

Murder Of Abel Cain (III Visions)

Represents a moment of deep despair and awareness, embodying the eternal conflict between brotherhood, betrayal and the consequences of destructive human actions

KREA / FLUX



Eye Of Eternity: Fragility Of The Light (II Visions)

The fragility of light is the hidden force of eternity, reflecting our struggle for integrity among the broken faces of existence

KREA / FLUX

Ephemeral Harmony (III Visions)

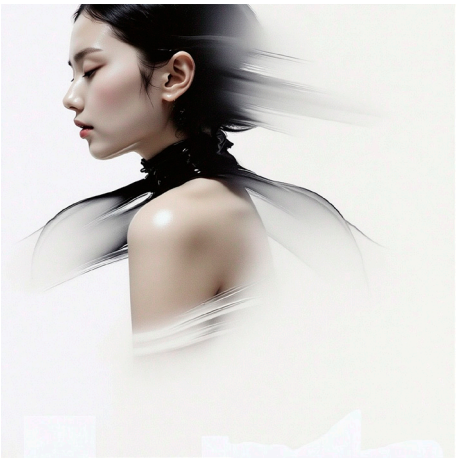
The fragility of beauty and the connection between nature, man and the ephemeral magic of the moment

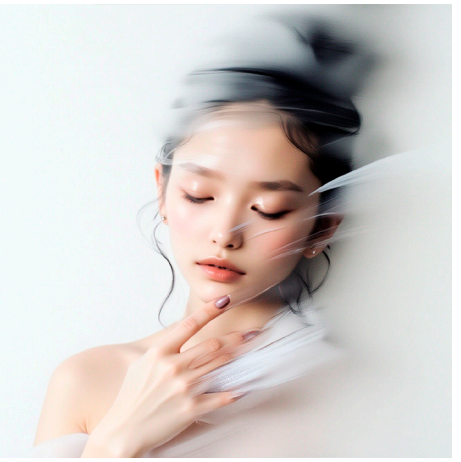
krea / flux

Twinkling Of The Soul (IV Visions)

Reflects refinement and inner peace with an emphasis on calm and deep harmony

krea / flux





Silence In The Movement (IV Visions)

The combination of peace and dynamics creates a sense of harmony

KREA / FLUX

Birth From The Darkness (IV Visions)

Symbolizes transformation and the path to awareness through pain

KREA / FLUX

Emotional Dissection (III Visions)

Visualizing how feelings can be divided and interpreted differently

krea / flux

Breath Of Air (IV Visions)

Reflects the merging with the immaterial and the crossing of the physical

krea / flux
